TASTING NOTES

The McLXJD2025 LTO is Jack Daniel's Tennessee Whiskey, our #1 selling whiskey, but now bottled at a higher 86 proof, compared to our standard 80 proof. Still mellowed drop by drop through sugar maple charcoal, our whiskey is then matured in our own handcrafted barrels before being tasted for flavour until deemed ready by our master distillers. At a higher proof, this LTO now has a richer and more robust premium experience.
